

Module 2: Baseline Assessment  
**SESSION 5: MARKET ASSESSMENT**

**HANDOUT 2 - ANSWER SHEET FOR MARKET EXERCISE**

**1. What items and services do different wealth groups buy and sell at village, regional and urban level?**

The following table gives a preliminary list of items and services bought and sold by households.

Items and services bought and sold		
	Poorer households	Richer households
Selling	Labour Firewood Grass Charcoal Livestock products eg butter	Livestock Food crops Cash crops Fish
Buying	Food crops Household goods (salt, oil, soap, clothes) Loans Basic (primary) education Emergency health care	Household goods (salt, oil, soap, clothes) Food staples (higher value) Education, primary and secondary Health care

## 2. Links between households and sources of demand and sources of supply

Your diagram should include, in some form, the links shown below:
